

VISITOR RATES REQUEST FORM

If you are a graduate or undergraduate non-degree seeking student who is authorized to participate, on a space-available basis, in a regularly organized University course, you are eligible for Visitor rates. Applicable tuition is assessed. No required Lawrence or Medical Center campus fees are assessed. All “visitor” coded courses will show credit hours and post a grade of “NE” (not evaluated on grade sheets and the student’s academic record).

By completing this form you are identifying yourself as eligible for this waiver, and requesting that it be applied to your enrollments.

Please apply visitor rates for the following semester:

_____ Fall
_____ Spring 20_____
_____ Summer

This form must be submitted by the 30th day of classes for the applicable semester. See www.registrar.ku.edu for specific dates.
